Dash Point Softball Game Planned for June 18th

Saturday June 18th at 11am the tradition continues with the Beach Bums versus the Hillbillies. The game resumed in 2007 after a long hiatus and those who participated had a great time. If you are interested in playing please contact Dave at 927-2781. Those interested in playing should meet at 11am on June 18th, at the field next to Marine View Church and the NorthPoint Cooperative Preschool. The Beach Bums are still celebrating their impressive victory from last year. A BBQ lunch featuring hot dogs, chips and soft drinks will be provided after the game.

Dash Point Fountain Project Complete!

The fountain is complete. The Metropolitan Park District will retain renewed ownership and be responsible for keeping the water flowing. It will remain a Dash Point Improvement Club sponsored historical structure with help from the community. Thanks again to Olympic Landscaping, Warfield Masonry, Sound Rock, The Dash Point Lobster Shop, Points NE Historical Society, The Dash Point Social and Improvement Club and the community at large for supporting this volunteer project and for helping to watch over it so it can be enjoyed once again for many years into our future.

Research History

A free workshop was provided by PNEHS on May 7th at the Centre at Norpoint. The purpose was to assist local groups to research and develop their own histories. If you ever wonder about the history of your organization and whether there might be old documents, pictures, meeting minutes and other artifacts cataloged somewhere this session was helpful to begin your research. If you were unable to attend and have an interest in this area please contact Jim Harnish at jimharnish@comcast.net

25th Anniversary Celebration

Sunday, September 11th the Points Northeast Historical Society will be celebrating their 25th anniversary. A dinner event with historical displays is being planned. Save this date and watch for more details. Also check on www.pointsnortheast.org
